

The Brantford Flight Centre's Commercial Pilot License Ground School is scheduled based on student demand. Once we have enough students interested we will organize a schedule and advise all those who are interested.

Please contact either Luke Wilson or Katherine Summers at lwilson@flybfc.com or ksummers@flybfc.com if you're interested in enrolling and they will take your information and give an approximate start date.

Please give days and time that would work best for you as there is currently no set schedule. We will take all feedback and create a schedule that works best for everyone.
